# Course Updates

**Trees behind 3 Green**

**Vantage from 4 Tee looking up**

**Just over the creek on 12**

**Trees gone behind 16 Green**

**18 Tee trees cleaned up**

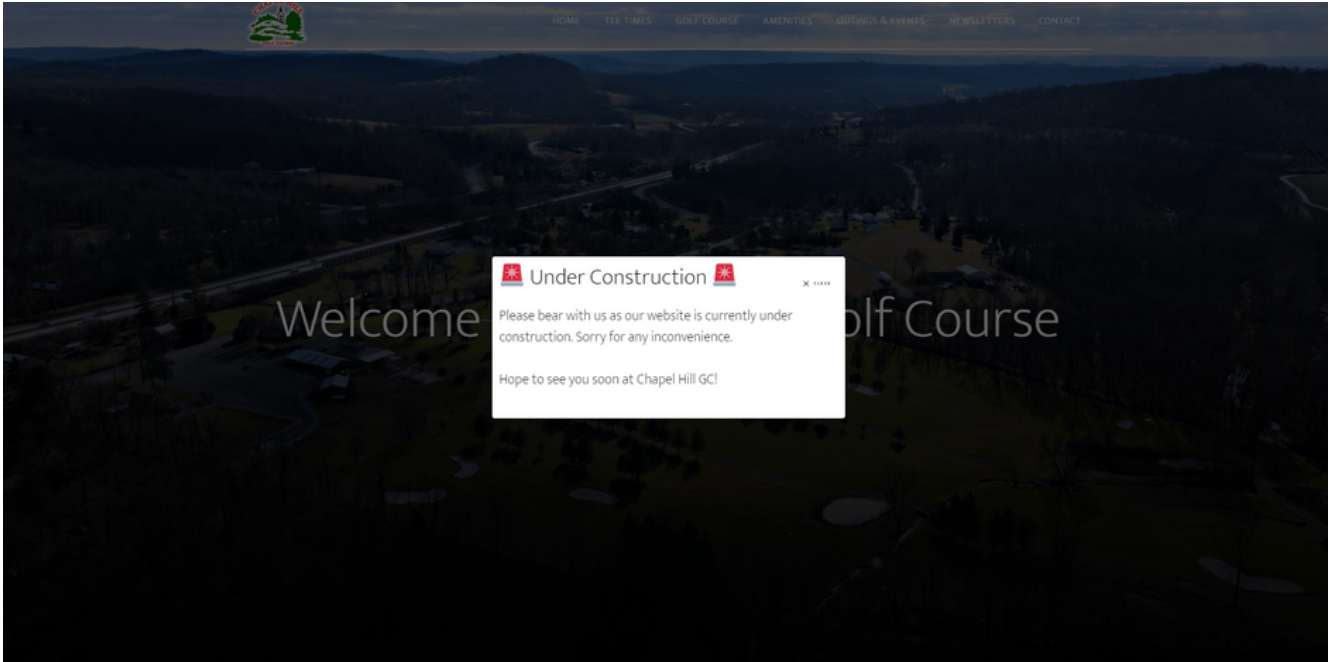

**View looking up 18**

One of the rather large changes is all of the trees on the left side of 16 being no longer! Much easier to carry that corner, and brings the creek into play for more golfers.

More changes to come. Stay tuned to our next newsletters for updates.
